

Research Opportunities in Quantum Information Processing

Members of our QIP Engineering and Talent Acquisition teams will be attending the conference on Tuesday, August 12th; and Wednesday, August 13th. While we will be attending various sessions we will also be available to meet candidates interested in career opportunities that match our current openings.

ASC'14 is providing a **“Career Opportunities: Interview Room”** which is located in Suite 104 at the Charlotte Convention Center. A sign-up sheet will be available at the Student Information Desk. If you would like to meet with us please select a time slot matching our availability and bring copies of your resume!

You may apply in advance to our openings at www.bbn.com/careers . Should you need to reach us during the conference, please email David Jeffries, Manager Recruiting, at djeffries@bbn.com .
